

Dear Parents,

We hope you've enjoyed the challenges so far. Unfortunately, our email server is struggling to send out our Daily Explorer to everybody, everyday. For that reason, we will be only sending emails every 3 days, with 3 days worth of challenges attached. If you would prefer to see the challenges on a daily basis, then please check our [Facebook Page](#), while we see if we can get a better method of delivering the challenges.

Today's challenges from the Designer Minds Daily Explorer are

- **Bridge Building**
- **St Patrick's Day Art**
- **Coding**

and you can find a link to the challenge sheets at the bottom of this email.

You can add any photos of the activities directly to the related challenge on our Facebook page, or simply let us know how you got on with the challenge.

<https://www.facebook.com/designerminds.ie/>

Or post to Instagram with the hashtag

#designerminds. https://www.instagram.com/designer_minds/

Or, email them to us so we can then post them on our Facebook or Instagram pages for you: hello@designerminds.ie . (please only email photos if you have no means of posting to social media yourself and that you are happy to have shown on social media, and include any details that you are happy to share with the photo.).

Help us help your family and friends, by sharing widely!

Back Issues (Facebook Links)

Issue 1: [Newspaper Tower](#)

Issue 2: [Colour Diffusion](#)

Issue 3: [Coding](#)

Issue 4: [St Patrick's Day Art](#)

Issue 5: [Matchstick Maths](#)

Stay happy and stay healthy!

The Designer Minds Team

Note: You will need software to open the Daily Explorer pdf files. [Adobe Acrobat Reader](#) is a very popular solution for PC, Mac and mobile devices.
